

MarchDale Massage Therapy

The Employment Advantage!

Every year the massage industry loses hundreds of Therapists due to injury, over use and burn out; Our unparalleled team has over 50 years combined experience in the field- we know how to keep you working doing what you love best!

MarchDale Massage looks after you. As a team member and employee we offer you an individual extended health care plan, disability insurance, and 6 weeks paid leave a year! Additionally, we manage your Income Tax, CPP, and EI, so at the end of the year you have less to worry about. Should you become injured you'll have disability coverage to cover you if you can't work, and you can take advantage of our outstanding extended health care plan to keep you feeling your best.

At MarchDale Massage your career will last! Our employment model offers an ongoing training program; Learn proper biomechanics and strength training from our experts, how to retain clients and set up treatment plans, and receive support through mentorship and one-on-one sessions, while you work in a space that gives you the freedom to advance your career, at your pace.

MarchDale offers you the freedom to choose your salary, based on your treatment output comfort level. You get the benefits of being an employee with the freedom to massage as many or as few clients as you decide. Your ongoing health is our priority and we want you to be a part of our team for a long time!

We are a community minded, progressive clinic in a very busy area of Kanata North. We welcome you any time to visit us and see what your future could hold at MarchDale Massage Therapy Ltd!
